

Witherle Memorial Library
ad hoc Landscape Committee
Minutes April 26, 2024

Present: Marty Tenney, Jeff Ackerman, Roger Marks, Karen Lyons, Nick Berry, Pat Dunham, and
via zoom Stefanie Scheer Young

Call to Order: 10:02

Introductions of the committee members

Minutes will be taken by Pat Dunham

Nick Berry said the stairway will be changed.

Nick Berry & Karen Lyons had a meeting with Marc Pelletier regarding what parts of the design might require town approval.

The heart of the meeting was in carefully looking at the design and and considering tent vs trellis/ pergola, ADA compliant, if town permission is needed for different aspects, amount of hard scanning, elevation, the list of plants, timeline, irrigation, bike repair and the bikes, rain barrel, amount of maintenance, etc.

In the end it was decided a 3-D model with movable parts would be the ideal for having a more complete image and understanding. A list of questions was given to Nick for Heather McCargo respond. We hoped to meet with Heather via zoom next time.

A date for the public forum was suggested, July 9. Nick will check that Heather can be in Castine that afternoon.

Next meeting date: Once the 3-D model is ready a meeting will be called.

Respectfully submitted
Pat Dunham
